

This RE planning is taken from the *Lancashire Agreed Syllabus For Religious Education (Revised 2016)* 'SEARCHING FOR MEANING'. This syllabus places RE firmly and comprehensively within the whole curriculum with reference to Government guidance. RE plays a leading role in pupils' spiritual, moral, social and cultural development. The syllabus provides for this through opportunities at each key stage. RE develops pupils' knowledge and understanding of, and their ability to respond to Christianity and the other principal religions presented in Great Britain. By exploring issues within and across faiths, pupils learn to understand and respect different religions, beliefs, values and traditions (including ethical life stances), and their influence on individuals, societies, communities and cultures. Through the uses of distinctive language, listening and empathy, RE develops pupils' skills of enquiry and response. RE encourages pupils to reflect on, analyse and evaluate their beliefs, values and practices and communicate their responses.
