

Welcome to 4M!

Hello 4M!

I am your new teacher for 2020-21 and I can't wait to meet you all. I have taught in Year 4 for 3 years and it is such a fun year group! I'm a big fan of Demon Dentist by David Walliams (one of our Year 4 texts!). I have a pet cat called Tiny Tim who gets up to all sorts every day - I can't wait to share these amusing stories with you!

In a normal year, we would have had the chance to have some transition time where we all got to meet each other in our new classroom before September. Unfortunately that can't happen this year, so I thought I'd tell you a little bit about Year 4 and what it's like to be in my class.

In Year 4 we work very hard, but we have lots of fun too! As Year 4s, you're now some of the older children at our school, and I know you will all be fantastic role models for the rest of the school. You get the chance to be door monitors, classroom helpers and possibly even Science Ambassadors if you impress us enough!

In 4M, we enter and leave school through door number 9 which is located behind the Y5/6 playground.

I can't wait to see you all on Thursday 3rd September! Please bring a photograph of something you have achieved over the summer or during lockdown with you on your first day so we can share some memories.

Have a lovely summer!

Ms Marshall
