Hello 5H!

I am your new teacher for 2020-21 and I can't wait to meet you all. I will teach you Monday-Thursday, and then you will be taught by Miss Howard on a Friday. Both Miss Howard and I have taught in Year 5 many times before - it's our favourite year group! Miss Seddon has worked at our school for 14 years. We are all huge fans of Harry Potter (one of our Year 5 texts) so you will witness many magical goings on! I love spending time with my family, enjoying trips to the zoo and visiting National Trust properties and their gardens (Miss Seddon enjoys doing this with her family too!). Miss Howard spends her weekends watching Everton play football!

In a normal year, we would have had the chance to have some transition time where we all got to meet each other in our new classroom before September. Unfortunately, that can't happen this year, so I thought I'd tell you a little bit about Year 5 and what it's like to be in my class.

As Year 5s, you're now some of the oldest children at our school, and I know you will all be fantastic role models for the rest of the school. You get the chance to be door monitors, classroom helpers and possibly even play leaders if you impress us enough! We will spend our time together working really hard but also having lots of fun! You will learn lots of new and exciting information and have the chance to take part in lots of fun, practical lessons in every subject. I can't wait to meet you all and hear all about your interests too.

In 5H, we enter and leave school through door number 6 which is located on the Y5/6 playground. We can't wait to see you on Thursday 3rd September! Please bring a photograph of something you have achieved over the summer or during lockdown with you on your first day so we can share some memories.

Have a lovely summer!
