

# Welcome to 5M!

Miss Merry

## Hello 5M!

I am so excited that I am going to be your teacher for 2020-21 and I am really looking forward to watching you continue to flourish! I am going into my fifth year as a teacher and this is my third year in Year 5! I can't believe how fast time flies! My favourite subject is English and I can't wait to enter your imaginations and watch the magic come to life as we immerse ourselves in the world of Witchcraft and Wizardry when we read Harry Potter. I love spending time with my family and walking my new dog, Stan. I can't wait to learn all about what makes you all so individually wonderful!

In a normal year, we would have had the chance to have some transition time where we all got to meet each other in our new classroom before September. Unfortunately that can't happen this year, so I thought I'd tell you a little bit about Year 5 and what it's like to be in my class.

I know you will all be fantastic role models for the rest of the school and will live and breathe all of our school values! It is your time to shine! In Year 5 you will get the chance to become door monitors, classroom helpers and possibly even play leaders if you impress us enough. We will spend our time together working really hard but also having lots of fun along the way! You will learn lots of new and exciting information and have the chance to take part in lots of fun, practical lessons in every subject.  
I can't wait to meet you all again!

In Y5M, we enter and leave school through door number 5 which is located on the Y5/6 playground. Please bring a photograph of something you have achieved over the summer or during lockdown with you on your first day so we can share some memories.

Have a lovely summer and I can't wait to see you all on Thursday 3rd September!
