## Hello 6A!

I am your new teacher for 2020-21 and I can't wait to meet you all. I have taught in Year 6 for four years and it is such a fun year group! I'm a really creative person so I love anything where I can use my imagination and get messy with paint. I love to walk with my dog in the forest and I really enjoy eating cake. I have been growing my own fruit and vegetables recently because it makes me feel calm.

In a normal year, we would have had the chance to have some transition time where we all got to meet each other in our new classroom before September. Unfortunately that can't happen this year, so I thought I'd tell you a little bit about Year 6 and what it's like to be in my class.

In Year 6 we work very hard, but we have lots of fun too! As Year 6s, you're now the oldest children at our school, and I know you will all be fantastic role models for the rest of the school. You get the chance to be door monitors, classroom helpers, play leaders and possibly even get your Truly Trusted badge if you impress us enough!

In 6A, we enter and exit through door number 2. This is the same door that the Y6 pupils have used this year (the door that faces the main entrance gates).

**We can't wait to see you all on Thursday 3rd September! Please bring a photograph of something you have achieved over the summer or during lockdown with you on your first day so we can share some memories.**

**Have a lovely summer!
