

Newton-le-Willows Primary

IMAGE CONSENT FORM

During your child's time at Newton-le-Willows Primary, we may wish to take photographs, film/record activities that capture the image of your child. These images may be used for displays, promotional material, our website, social media and in the newspaper.

Photography or filming/recording will only take place with the permission of the Headteacher and under appropriate supervision. When filming/recording or photography is carried out by the news media, children will only be named if there is a particular reason to do so (e.g. they have won a prize), and home addresses will never be given out. Images that might cause embarrassment or distress will not be used nor will images be associated with material on issues that are sensitive.

Before recording any images of your child for these purposes, **we need your consent**. This is necessary to comply with the UK General Data Protection Regulation (the retained EU law version of the General Data Protection Regulation (EU) 2016/679) ("GDPR"), the Data Protection Act 2018 ("the DPA") and other related legislation which protects Personal Information.

Please note that there may be other circumstances, falling outside the normal day to day activities of the school, in which images of children are requested. The school recognises that, in such circumstances, specific consent from a parent or guardian will be required before photography or filming/recording of children can be permitted.
