

# Welcome to RF!

Hi, I am your new teacher Miss Ford! I can't wait to meet you all and I am really excited about getting the new year started. I have taught in Reception for many years and I think it really is the best year group! I love teaching all subjects and I have lots of exciting things planned for our year together. In my spare time outside of school, I love going for days out, reading, swimming and visiting friends and family.

We also have Mrs Dixon and Mrs Bradley working in our class with us. They have both worked in Early Years before and are so excited to meet you all!

In a normal year, we would have had the opportunity to meet each other in our new classroom before September. Unfortunately, that can't happen this year, so I thought I'd tell you a little bit about Reception.

In Reception we work together as a family and look after each other. We come to school every day with a smile on our face and know that we will have a great day with our friends. During the year we will learn to read, write and count. We will explore the world around us through play and investigation and develop a real love for learning. We always try our best, work hard and have fun. We can't wait to get started!

In RF, we enter through door number 21.

**I can't wait to see you all from Thursday 3rd September! Please bring a photograph of something you have achieved over the summer or during lockdown with you on your first day so we can share some memories.**

**Have a lovely summer!**
