

Welcome to 3D!

Hello 3D!

I am your new teacher for 2020-21 and I can't wait to meet you all. I have taught in Y2 for the last 3 years and I am very excited for a change. We are all moving up to Y3 together! I'm a big fan of Warrington Wolves and attend every home game. I know this will please some of you and disappoint others! If this were a normal year, we would have had the chance to meet each other properly in our new classroom before September. Unfortunately that can't happen this year, so I thought I'd tell you a little bit about Year 3 and what it's like to be in my class.

In Year 3 we have to work very hard, but we always have fun too! We have lots of lovely Y3 teachers and teaching assistants in our team. I will love looking at your homework each week and listening to you read. Handwriting is very important in Y3 and I can't wait to practise with you. If you work really hard on your handwriting, you may be rewarded with your very first Pen Licence! Now you are Year 3s, you have moved up from being KS1 children to KS2! Without a doubt, you will all be amazing role models for the younger members of our school.

In 3D, we enter and leave school through door number 12 which is located on the Sports England playground.

We can't wait to see you all on Thursday 3rd September! Please bring a photograph of something you have achieved over the summer or during lockdown with you on your first day so we can share some memories.

**Have a lovely summer!
Miss Dowson and Mrs Turner**
